Re: Acceptance Information

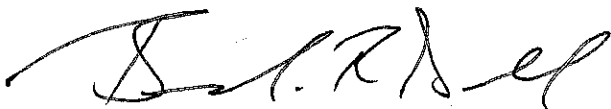

Congratulations! I am pleased to inform you of your admission into the Automotive Service program with Twin Rivers Career and Technical Education Area. We are excited to have you in our program and look forward to all the incredible experiences you have coming in the near future.

You will be receiving more information this summer in regards to our program. It is very important that you complete and understand this information so that you may start the school year on a positive note. It is also very important to understand that the **start date** of this program is **August 7th, 2017**. This will be the first day you attend our program regardless of the start date of your high school. Fees for this program will be approximately \$56.00 for the year and will need to be paid on the first day of class.

If at any time you have questions or concerns, I encourage you to contact your school counselor or contact our office directly. Becky, my office Treasurer, or I will be glad to help answer any of your questions.

Let me extend my personal best wishes for your success in the Twin Rivers CTE program. We invite you to visit us at our website: <http://www.twinriversarea.org/>

I am pleased to inform you have been selected as an alternate into the Health Science program with Twin Rivers Career and Technical Education Area. What this means for you is if a currently selected student must drop the program for any reason, then you may be notified to take their place. This process can happen within a few days of you receiving this letter, or as late as the 1st day of classes next year. I encourage you to be ready with your decision if asked to fill an open spot.

You will be receiving more information this summer in regards to our program if and when you are selected to be enrolled into our Health Science program. It is very important that you complete and understand this information so that you may start the school year on a positive note.

Congratulations! I am pleased to inform you of your admission into the Work Based Learning program with Twin Rivers Career and Technical Education Area. We are excited to have you in our program and look forward to all the incredible experiences you have coming in the near future.

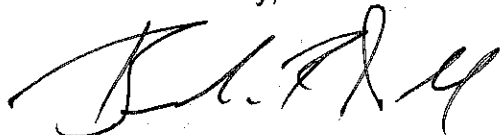

To finalize your enrollment in this program it is very important that you complete the instructions on the additional attachment. This **must** be done by the student on the student's cell phone and not the parent or guardian's cell phone.

Additionally, you will be receiving more information this summer in regards to our program. It is very important that you complete and understand this information so that you may start the school year on a positive note. It is also very important to understand that the **start date** of this program is **August 7th, 2017**. This will be the first day of the "online classroom" portion of the program regardless of the start date of your high school. You will also start keeping a record of your work hours from this date forward. Fees for this program will be approximately \$32.00 for the year and will be paid at a later date.

If at any time you have questions or concerns, I encourage you to contact your school counselor or contact our office directly. Becky, my office Treasurer, or I will be glad to help answer any of your questions.

Finalizing Your Enrollment in Work Based Learning

“Remind 101”

Remind 101 is an app that teachers use to communicate with their students. Any student who does sign up for Remind 101 will not be successful in the Work Based Learning program. Follow the steps to complete the process.

1. Below find the school that you will be attending your senior year.
2. Text the Code that corresponds with your school to the number 81010
3. You will receive a message once you have completed this successfully.
4. After you receive your confirmation message please respond with your first and last name and High School you attend.

You may also get the free app “Remind 101” and the messages will be delivered via this app.

RE: Cosmetology Hours Contract

Twin Rivers Cosmetology Student;

Maintaining program hours in the Cosmetology program is essential to the success of the program. By signing below you are stating that you understand the importance of maintaining your Cosmetology program hours. Furthermore, Twin Rivers CTE will receive a report on August 1st of your current hours from Vincennes Beauty College after you complete the summer program. If at that point you are more than 25 hours behind, you will be removed from the program.

Congratulations! I am pleased to inform you of your admission into the Vincennes University Audio Recording program. We are excited to have you in our program and look forward to all the incredible experiences you have coming in the near future.

Just to clarify, Vincennes University and Twin Rivers CTE Area work cooperatively to provide additional programs for area high school students. Although you will be attending Vincennes University you are still considered a Twin Rivers CTE student.

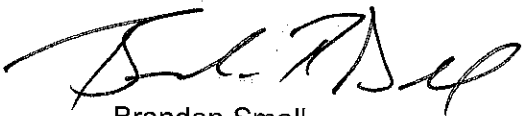

I will be hosting a mandatory meeting for all Vincennes University students **and** parents on Wednesday, May 3rd, 2017 at 6:00 pm. This meeting will be in the Auditorium (Rm A-115) of the Technology Center on the VU campus. The physical address is 1300 Chestnut Street, Vincennes, Indiana. We will cover many important items that evening in regards to your admission. You will have an opportunity to ask questions and meet a VU staff member from the area in which you have applied. Failure to attend this meeting will result in immediate removal from Twin Rivers and your VU program.

Additionally, you will be receiving more information this summer in regards to our program. It is very important that you complete and understand this information so that you may start the school year on a positive note. It is also very important to understand that your VU classes will start on Monday, August 21st, 2017. Course fees for each VU program may be costly. I encourage you to visit the Twin Rivers website to better understand the estimated cost of each class. VU will take full payment on these fees at the beginning each semester or set up payment plans.

If at any time you have questions or concerns, I encourage you to contact your school counselor or contact our office directly. Becky, my office Treasurer, or I will be glad to help answer any of your questions.

Re: Acceptance Information

Congratulations! I am pleased to inform you of your admission into the Vincennes University Information Technology program. We are excited to have you in our program and look forward to all the incredible experiences you have coming in the near future.

Just to clarify, Vincennes University and Twin Rivers CTE Area work cooperatively to provide additional programs for area high school students. Although you will be attending Vincennes University you are still considered a Twin Rivers CTE student.

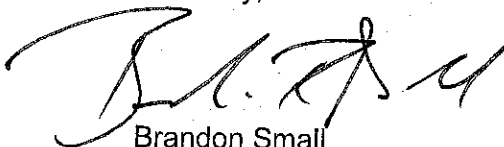

I will be hosting a mandatory meeting for all Vincennes University students **and** parents on Wednesday, May 3rd, 2017 at 6:00 pm. This meeting will be in the Auditorium (Rm A-115) of the Technology Center on the VU campus. The physical address is 1300 Chestnut Street, Vincennes, Indiana. We will cover many important items that evening in regards to your admission. You will have an opportunity to ask questions and meet a VU staff member from the area in which you have applied. Failure to attend this meeting will result in immediate removal from Twin Rivers and your VU program.

Additionally, you will be receiving more information this summer in regards to our program. It is very important that you complete and understand this information so that you may start the school year on a positive note. It is also very important to understand that your VU classes will start on Monday, August 21st, 2017. Course fees for each VU program may be costly. I encourage you to visit the Twin Rivers website to better understand the estimated cost of each class. VU will take full payment on these fees at the beginning each semester or set up payment plans.

If at any time you have questions or concerns, I encourage you to contact your school counselor or contact our office directly. Becky, my office Treasurer, or I will be glad to help answer any of your questions.

Let me extend my personal best wishes for your success in the Twin Rivers CTE program. We invite you to visit us at our website: <http://www.twinriversarea.org/>

Sincerely,

Brandon Small
