## Professional Development Plan – Workplace Specialist – REPA

Name: \_\_\_\_\_ Program Area: Automotive Service Technology

Expiration Date of Current License: 09/28/2016  
(Note: Expiration date of current license, not new license being requested)

---

A minimum of ninety (90) hours of professional development experience is required during the five (5) year period of the WS II license. Typically, the professional development must be a mixture of at least two of the following: 1) teaching skills, 2) trade skills, and 3) basic skills. Carefully review the Point Chart and the Objectives and Activity Description document. Then, specify your plan here:

### Professional Development:

#### Objective 1:

(A statement identifying a weakness in skill or knowledge that a candidate intends to improve through an activity)

Develop and Expand Automotive curriculum.

#### Activity 1:

(How the new or improved knowledge and skills are to be gained)

Attend curriculum development workshop offered at Indiana State University-45 hours

#### Objective 2:

Stay abreast of current trends in the automotive industry with an emphasis on education and classroom practices.

#### Activity 2:

Attend IATTI conferences yearly to learn about updates and connect with other CTE auto instructors. 32 hours

#### Objective 3:

Improve classroom management, Excel training, and incorporate literacy and math skills into curriculum.

#### Activity 3:

Attend workshops/seminars on diversity in the classroom, attend Excel training, and help students with literacy and math skills.
