

VINCENNES UNIVERSITY

BUSINESS MANAGEMENT / ADMINISTRATION

PROGRAM DESCRIPTION

As a graduate of Vincennes University's Business Administration program, you will build valuable skills in topics that include, but are not limited to: accounting, analytical forecasting and data informed decision-making, and personal branding. You will also learn how the four functions of business are interdependent. While preparing for a certification in Microsoft Excel, you will learn how to use this tool to perform many of the functions needed in the rapidly-paced business environment. Once you have earned an associate degree in Business Administration, you will be well positioned to transfer into a traditional bachelor degree program with concentrations in Accounting, Marketing, Management, Finance, and many other areas.
