IVY TECH
ELEMENTARY EDUCATION

PROGRAM DISCRIPTION

Graduates from Ivy Tech's Associate of Science in Elementary Education program have the tools to provide the best possible learning experience for their future students. Education instructors have decades of classroom experience as educators.

OVERVIEW

An associate of Science in Elementary Education degree can be achieved in 4 semesters, or about two years. Graduates of the AS in Elementary Education can transfer to a four-year college or university to complete their bachelor's degree. as a TSAP (Transfer Single Articulation Pathway) program, it allows students to move to Indiana public four-year institutions with automatic junior status. By completing your first two years at Ivy Tech, you can save more than $10,000.

In the Education program, you will learn:
- How to strengthen your content knowledge in the subjects taught in grades K-6.
- Which instructional methods are most effective for practicing and refining your teaching skills.
- Why inclusive teaching matters and how to create learning environments that support all students.
